“Denon HEOS HomeCinema is a very well made soundbar.”

HEOS Home Cinema Award Overview

Denon HEOS HomeCinema review:

Multiroom features and good sound, but tough to use

“While our search continues for a heartily recommendable sound bar for the money, the **Denon HEOS HomeCinema** is one of the better examples.”

Denon HEOS HomeCinema Soundbar Review

The HEOS HomeCinema lives up to its name

“Whether it’s TV, film or music, the **HEOS HomeCinema** is an extremely capable soundbar and subwoofer combination that is a worthy addition to Denon’s current line-up of products.”

HEOS HOMECINEMA SOUNDBAR

Denon HEOS HomeCinema 2.1 Soundbar Review

“There are a ton of soundbar options on the market, but there’s one thing I am certain of—if you are putting together a HEOS-based multi-room audio system and need a good soundbar for a TV, the **HomeCinema** fits the bill. ***It offers a satisfying, immersive listening experience that takes up very little space—which is exactly what you want from a soundbar.***”

HEOS Amp & Link Award Overview

HEOS Amp & Link Award Overview

Germany

Lite Magazin – HEOS Amp

Quote English: All sizes from shelf to floor speaker play very well with the HEOS Amp and create a multi-room hi-fi feeling on the highest level.

AreaDVD – Heos Link

Quote English: The HEOS Link opens the multi-room world for your existing stereo and it does this in a very comfortable and easy-to-use way.
